FROM THE BOARDROOM

Good afternoon and welcome back to the Poplar Insulation Stadium for today's Jewson Western League – Premier Division fixture, as we welcome the players, staff and supporters of Buckland Athletic. We wish our visitors a pleasant stay with us and a safe journey home after the match.

Today marks our first encounter with Buckland this season, who currently sit 7th in the table, having won seven of their opening thirteen games – a strong return that shows the quality and consistency they've built. It will be another tough test, but one that we're looking forward to.

Believe it or not, this is our first Saturday home fixture since the end of August, and remarkably, the first Saturday home game for Manager Matt Lewton since taking charge. It's been a busy and often unpredictable start to his tenure, with midweek matches, cup ties, and long away trips making up much of the early schedule. Having a Saturday fixture back at Ironmould Lane gives both the squad and supporters a welcome opportunity to settle into a more familiar rhythm.

As the temperatures begin to drop and we edge into the winter months, the inevitable challenges of the season start to appear – including the dreaded run of weather-related postponements. As always, I want to take a moment to express my sincere thanks to our dedicated team of volunteers – Steve Rogers, Steve Jenkins, Richard Dennis and Jay Whelan – who do everything they can to protect and preserve the pitch.

Their tireless work behind the scenes ensures our playing surface remains as resilient as possible, allowing us to keep games on when others might not. Their efforts, week in and week out, are a huge part of what keeps this club running so smoothly.

We extend a warm welcome to Buckland Athletic as they visit Iron Mould Lane today. I am particularly looking forward to the challenge against one of the title favourites. They've had some really good results of late, particularly the win against Clevedon Town.

Our last league game saw us travel to Helston Athletic, where we won 3-1. We travelled with a really patched-up squad, and the lads delivered a delightful performance; the boys were excellent.

September has been manic to say the least. We've played 12 games in just 6 weeks, and it's really taken its toll on the squad. With injuries and suspensions stacking up, we've had to bring in a number of dual-registered players to help us through this tough spell. I want to say a huge thank you to everyone who's supported us – both on and off the pitch – during this period. The short break in the schedule has come at the right time and given us the chance to regroup, recover, and build together.

We had a great team bonding session on Saturday, followed by two training sessions this week, and the energy around the group feels brilliant. We've added some quality additions to an already fantastic set of lads, and I'm really excited for what's ahead.

Lewis Saunders joins us from Hallen. Lewis is a winner; he is full of energy and quality and will be a huge player for us.

FROM THE BENCH

Jay Malpas returns from Roman Glass St George. We are all fully aware of Jay's ability; he is a player who, on his day, can win you a game of football. He knows what it means to wear the Brislington shirt.

Owen Lingard joins us from Oldland Abbotonians. Owen comes in to play left back for us. He will give us that balance that we need since we lost Alfie to his injury. Owen is a great lad and will be a huge presence for us on and off the pitch.

Jaden Neal joins us from Portishead. I'd personally like to thank Kye Mountford for this one. Jaden will give us so much in that final third; he's a lad you get excited about with his speed!

We've also added Jay Cleverley to the backroom staff as 1st team coach. I'm absolutely delighted to get Jay on board with us. He will be a perfect fit for this club.

Finally, I'd like to wish Oaklan and Jordan all the very best as they move on to Devizes and Bridgwater respectively. Both have been great to work with and leave with our best wishes.

MEET THE FOXES

JORDAN SCHOFIELD

Goalkeeper: Jordan joined us from Oldland, hit the ground running and definitely helped steady the ship, pardon the pun but he's been a much needed safe pair of hands.

ALFIE CLARKE

Defender. An energetic left back with a cultured left foot who's comfortable in possession, and ruthless out of it!!

CHARLIE AMES

Defender: A player who's made the step up from the U18's last year, and showed he can more than mix it with the adults. A class defender who reads the game well and is comfortable in possession.

BEN WITHEY

Midfield/Defence: Ben is an experienced player who's played at Southern league level, technically good and extremely versatile player who looks equally comfortable in pretty much every position!

LEWIS DUNN

Defender. Lewis has been a mainstay for the Foxes for many years a left sided central defender Lewis has bags of experience, is comfortable in possession and chips in with vital goals.

OLLIE WILLIAMS

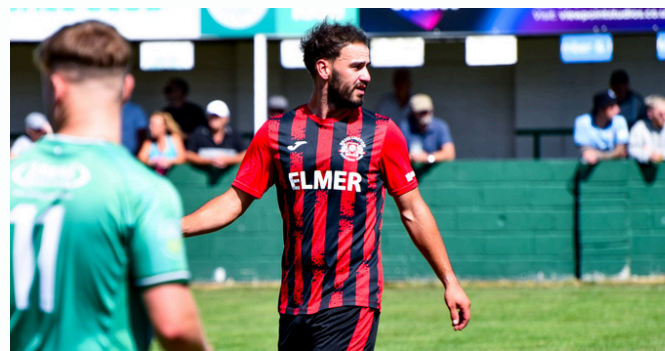

Midfield. Ollie has joined us from AEK Boco and has looked very good in pre season. Ollie is a talented midfielder who likes to get on the ball and make things happen, also chips in with a few goals.

JAYDEN RADWAY

Midfield/Forward. Jayden has represented Bris U18's for the last two seasons whilst playing for Keynsham and Corsham Town in the adult game. A pacey and skilful forward he has an eye for goal and is a tireless runner. Jayden has all the potential to rise higher in the non league pyramid should he wish!

Bitton Motor Company
MOTs & Servicing

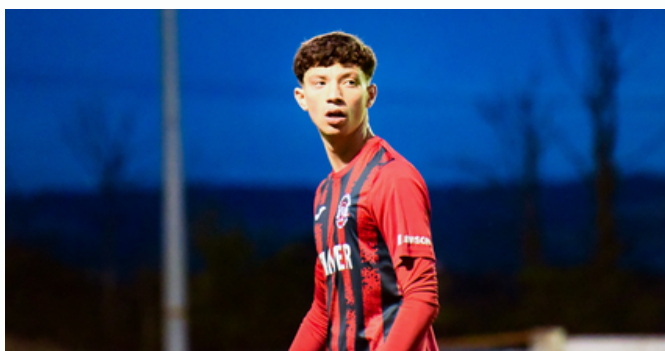

CALUM EVANS

Defence/Midfield. Has a top class pedigree having started his career at Man Utd, Calum arrives at Ironmould Lane via Barnsley, Macclesfield, Forest Green, Port Vale, Torquay Utd, Bath & Frome.

GEORGE JONES

Midfield/Forward. George has been with the Foxes for over 5 seasons. A versatile player who can play in midfield or up front. scored 22 goals during the title winning season including a double hat trick against Portishead Town.

FREDDIE FRAZER

Midfield - New to the club this season, Freddie has recently played for Malvern Tn & Cribbs and is a stylish midfielder who is comfortable in possession.

SHEA MANNINGS

Striker – Shea has returned following his 'love island' adventure. The hard working frontman was a hit last season not just for his goals but for his tireless graft. Shea has hit the ground running scoring twice on his return let's hope there's many more to follow!

JORDAN SCADDING

Midfield/Forward. Now in his fifth season at the club, (despite a very brief spell with Portishead) Jordan is a busy midfielder who covers every blade of grass and stores stunning goals. He regularly registers highest appearances record and is always in the hunt for 'player of the season'!

PAOLO BORGES

Forward. Recently arrived from Nailsea & Tickn'm Paolo brings strength and power to lead the line.

DAN WINSTONE

Midfield. A new acquisition, Dan is an experienced midfielder having played for Cadbury Heath at Western Premier league level. He is a combative and steady player who reads the game, brings calmness, and retains possession well.

BILLY WILTSHIRE

Defender. Billy is yet another product of the successful U18's who has progressed into the first team squad. A solid 8 out of 10 full back who will more than likely have an fruitful non league career ahead.

IN THE DUGOUT

GEORGE DORRINGTON – ASST. MANAGER

Another well travelled and well respected player, in both the professional and amateur game. George has finished playing regularly after a double leg break last season but will prove invaluable on the sidelines, and never say never between the posts.

EVERETT WELCH – PHYSIO

A brilliant guy on and off the pitch, Everett has a wealth of experience in non league football. Everett played as a goalkeeper in western league football, and served as a Matchday physio at Ashton & Backwell, Odd Down & Paulton Rovers

MATT LEWTON – MANAGER

Formerly managed our U18's to a successful cup win, and a top three finish. Matt has a wealth of coaching experience and has a list of contacts to make managers elsewhere envious. His energy and enthusiasm is infectious, and we're looking forward to backing his clear and progressive ideas.

ASH KINGTON – PLAYER COACH

A well travelled and well respected player, in both the professional and amateur game, he has a wealth of experience to pull from. Ash initially stepped in to the managerial role after Lee Perks departure, but has made way for Matt, so he can concentrate on playing. Ash will continue to play an integral part as part of the management team.

BS4'S FOOTBALL HEARTBEAT SINCE 1957

The club was established in 1956 as an under-16 team, and initially played in the Bristol Church of England League, winning the Somerset Intermediate Cup in 1961–62 and 1962–63, and the Somerset Junior Cup in 1963–64. By 1965 the club were playing in the Senior Division of the Bristol & Suburban League.

During the 1970s we moved up to the Somerset County League, winning the League Cup in 1976–77, and finishing as runners-up in the Premier Division in 1979–80, 1983–84 and 1984–85.

The club went on to win the Premier Division and the Somerset Senior Cup in 1988–89, and after finishing as runners-up and winning the Senior Cup in 1990–91, they were promoted to Division One of the Western League.

Brislington won the Somerset Senior Cup again in 1992–93, and after a third-place finish in Division One in 1993–94, they won both Division One and the Senior Cup the following season and were promoted

to the Premier Division. After winning the Somerset Premier Cup in 1995–96, the club were Premier Division runners-up in 2002–03 and again in 2012–13.

Due to the escalating travel costs of the Toolstation Western League Premier Division, which forced Odd Down to take voluntary relegation, and with a sideways move to the Hellenic Premier ruled out, the club decided to follow Odd Down's lead and take the step down to the Toolstation Western League Division one.

This proved to be a decisive move as the 2022/23 Season saw the Foxes win the league, scoring 130 goals in the process, and reach the Semi Final of the Les Phillips Cup.

Brislington were unable to return to the Premier Division, although this was a blessing in disguise as that season saw the demise of Ashton & Backwell as a Western league club and Bitton, who failed to fulfil their fixtures, pulling out midway through the season, both falling foul of the increased running costs.

The 2023/24 Season saw the reintroduction of an U18s side as the club look to rebuild a pathway to adult football from within. Unfortunately the season was plagued by poor weather, far too many games were cancelled due to persistent rain, leaving all three teams a far-from-ideal heavily-backloaded schedule. Despite that however, all three teams were to gain a level of success on the pitch.

The first team were promoted back to the Premier Division albeit via the play-offs, after finishing a very disappointing seventh in the table (despite finishing the league's leading goalscorers). However they redeemed themselves by beating Radstock Town away in the semi-final then Wincanton Town away 2-3, where a dramatic second-half comeback saw a two-goal first-half deficit overturned with the winner coming in the 93rd minute, courtesy of Lewis Dunn!!

They also reached the Final of the Somerset Senior Cup although that game wasn't played due to the backlog of league fixtures, both the semi-final and final were due to be played before July 31st 2024!

The reserve team made it to their cup Final. Unfortunately they would lose to opponents Haywood Village, missing out on penalties after the game couldn't be settled in 90 minutes.

The re-emergence of the U18s, lead by John Smallwood, Phil Wiltshire & John Lovell were a revelation, winning their league to gain promotion losing only one game in the process.

More importantly from a club perspective, 10 young players were to feature for the first team, unsurprisingly none looking out of place, with a few excelling, proving the decision to reintroduce an 18s set-up was a very good one.

The 2024/25 season saw Matt Lewton replace John Smallwood and challenge for the league which went down to the final games, eventually missing out, however they did win the Roger Stone Memorial Cup to cap a memorable two years for the group.

The first team were to finish comfortably mid table in their first season back in the Jewson Western Premier League. Unfortunately they would lose long standing manager (and now club legend) Lee Perks who retired from his first team management duties after 10 years at the helm and 18 years at the club as a player, reserve team manager, 1st team assistant manager and ultimately 1st team number one.

Lee is replaced By Ash Kington who will front the campaign for the upcoming season.

BUCKLAND ATH - CLUB HISTORY

Foundations (1977–1987)

Formed in 1977 as a junior club playing in the Torbay Pioneer League, Buckland Athletic quickly grew into one of Devon's largest youth setups, lifting numerous local honours including the Devon Youth Cup.

Stepping into Senior Football (1987–2000)

In 1987–88, manager Roy Holmes guided his under-18 side into the Devon & Exeter League and immediately won the Division Three title.

A series of promotions followed, alongside moves between local grounds before settling at Homers Lane, Kingsteignton.

League success came in 1994–95 and again in 1999–00, securing elevation to the Devon League.

County League Consolidation (2000–2007)

Buckland finished runners-up to Willand Rovers in their debut Devon League campaign and reached the Throgmorton Cup Final a year later.

Steady progress over seven seasons culminated in promotion to the newly formed South West Peninsula League in 2007.

BUCKLAND ATH - CLUB HISTORY (CONTINUED)

DID YOU KNOW

Buckland's matchday programme The Bucks Review once claimed eight consecutive "Best Programme" awards, even finishing 6th nationally in the Wirral Programme Club Awards — from over 1,100 entries!

SILVERWARE FACT

In 2017–18 Buckland lifted the Les Phillips Cup despite a punishing run-in that saw them play 15 games in just 24 days — a remarkable feat of endurance and commitment.

The Golden Era (2007–2012)

The Bucks established themselves quickly at Step 6. Following a 14th-place debut, they surged to 3rd the next season before clinching back-to-back league titles in 2009–10 and 2010–11, alongside the Throgmorton Cup.

With ambitions growing, the club met the ground-grading criteria for Step 5 football and were promoted to the Western League in 2012.

Western League Years (2012–Present)

Their debut season brought a top-half finish and off-field success with awards for best programme and hospitality. A runners-up finish in 2014–15 remains their highest Western League placing, while the 2016–17 FA Vase saw the Bucks reach the 6th Round.

Further silverware followed in 2017–18 with victory in the Les Phillips Cup. After the passing of long-serving chairman Roy Holmes in 2020 and the disruption of COVID-19, the club restructured as Buckland Athletic FC Ltd, emerging with renewed stability and ambition.

A New Era (2021–Present)

Following mid-table finishes after the restart, Dan Hart led the club to a Western League play-off place in 2023–24.

Ahead of 2025–26, a new management team of Matt Cusack and Dan Harrison, supported by Shane Reavey, has taken the reins at Homers Heath, aiming to push Buckland towards long-awaited Step 4 football.
